Carmel Valley, California

February 12, 1969

THE FIRST JUNIOR MEMBERSHIP to the International Reading Association was presented to Middle School students participating in this elective for academically talented students. Dr. Ralph Staiger, executive secretary of IRA and past president of the English Research Division flew out from Delaware to present the plaque to the 57 students present. Shown above are Claire Carter,

who made introductions; Heidi Barmettler, presenting Dr. Staiger with a check toward the IRA's research and building fund; Eric Rudenshield, who gave acceptance speech for honorary charter; Miss Jo Brazzell, teacher of the program; and Dr. Staiger.

Carmel Middle School students earn national recognition

Recognition was given to the students of Carmel Middle School for their three years of research in a program for academically talented students by the International Reading Association.

The first junior membership to the IRA was awarded this outstanding class which has been written up in California, national and International Reading journals.

Dr. Ralph Staiger, executive secretary of IRA and past president of the English Research Division, flew out from Delaware to present the plaque to the 57 participating students.

Eric Rudenshield gave an acceptance speech for the plaque. Heidi Barmettler pre-

sented Dr. Staiger with a \$5 check toward the IRA's research and building fund.

A motion to make this group a permanent member of the IRA and pilot innovators for the first junior membership in the world, will be submitted to the by-laws committee at the next national meeting in Kansas City.

Three years of research has gone into this elective for academically talented students.

These students have been involved in tutoring; developing remedial materials; developing educational games; attending teacher workshops; doing research for the county and Watts area; evaluating state reading texts; working with publishers,

authors, illustrators and cartoonists; working as therapists for educationally handicapped students; speed reading; study-

ing the types of reading found in school texts, occupations, mass media and politics; and conducting the Monterey County IRA's spring reading conference.

SAY IT WITH VALENTINES. These River School pupils make a pretty Valentine as they prepare for 'that day', Friday. They are Gail Harrison (in front); Carol Bialek, William Mudd, and Giulio Dedini (left to right, seated); and Scott Whitman and Cynthia Dow, standing.

Space activity comes closer to Valley

Outside world activities will come closer to Carmel Valley this week-end when the new "space switchboard" goes into operation.

Plans are being finalized for starting operation with the communication station at Cachagua this week-end according to John Scroggs, manager of the Communication Satellite Corporation station.

CIRCUITS DOUBLED

The Pacific 3 satellite as it is called, will more than double commercial satellite telephone and television circuits to and from stations on the U.S. Mainland, Hawaii, Japan, Thailand, Australia and the Philippines.

Four television programs or 1,200 two-way telephone conversations can be handled by the satellite. Two smaller commercial satellites over the Pacific have a total of only 480 circuits.

Sixty-four nations participate in the program known as International Tele-communications Satellite Consortium. The countries purchase and pay for development and launches of the satellites and INTELSAT keeps them on station, takes care of functions of launching, positioning and tracking.

SECOND OF SERIES
The 322-pound payload is the

second of a series of four which are to form the first global commercial space communications network by midyear. The first

was launched over the Atlantic in December. A third will be launched over the Atlantic in April and the last over the Indian Ocean in June or July.

Middle School initiates exchange program

Middle School eighth graders will be participating for the next five weeks, in a student exchange program with Martin Luther King Junior High School in Seaside, according to Orville Rogers, principal of Carmel Middle School.

The program, concentrated on eighth graders, includes five students selected to vary in size and shape as to comprise a cosmopolitan group.

This group will be matched with five students at the host school, and under the buddy system, attend classes with the host students for the entire day. On the following day, the host students become guests of the students they hosted the day before.

One exchange with five of King eighth graders visited last Thursday, and five students at Middle visited King Junior High on Friday. The following students were selected to represent Middle School on this first exchange: John Toldi, Scott McGowan, Ted Buck, Kathy Dona-

hue and Elizabeth Sanford.

"Based on our first experience this is a very worthwhile experience, one, we hope will lead to other types of exchange programs with King and other junior highs throughout the

New Master Plan discussed

Whether the Valley Master Plan be revised and updated was the primary topic for discussion when the Carmel Valley Property Owners Association held its first meeting under the newly elected board last week.

The recommendation for the change had been previously made by Willard Branson, chairman of the County Board of Supervisors. It was agreed that any action should be delayed until suggestions for changes were discussed at the next board meeting, Thursday, March 6, at the Community Center. Whether the plan needs complete revision will be on the agenda for discussion also.

The CVPOA agreed that a position must be taken on the study of dam possibilities on the Car-

mel River for flood control and water conservation.

The revival of a slope density formula for the Valley, or substitution of a 2-1/2 acre minimum building site requirement will come up for action at the March meeting.

It was favorably voted to send Bruce McClain, county road commissioner a letter of commendation for the fast work of county crews in attending flooded road conditions in the valley, and making necessary repairs.

Roy Kaminske, new president, said that a membership drive will be conducted in the coming months to give the CVPOA more voice in Salinas with all county departments and officials.

SIXTH GRADERS OF TULARCITOS SCHOOL participating in a round robin of tournaments which begin March 1, are shown above. Left to right, Ronny Nielson, Mike Busick, David Sparkul, Bob Egli, Dorn Colburn, Matt Sherman, Richard Dubbes, and Gary Eldridge.

6th graders to begin tournament

A round robin of tournaments will begin March 1 and will last three weekends when Tularcitos sixth grade basketball players will compete with three others schools.

Participating in the event with the school will be Mission, All Saint's Day School, and Carmel Middle School.

The fifth grade team of Tularcitos won from Mission Saturday with a score of 8 to 5.

Monterey Peninsula," Rogers said.

"The students from King were well received by Middle School and all commented on what a good time they had here. We were particularly gratified

to see that same group of five students awaiting us eagerly at King Junior High School Friday morning. It was evident that they were proud of their school too and anxious to show their guests around," he said.

FIVE EIGHTH GRADE STUDENTS of the Martin Luther King Junior High School in Seaside visited Carmel Middle School last Thursday in a student exchange program. This was the first exchange of a program planned for the next five weeks.

EDITORIAL

A Few Words about Our Dangerous Curve

Montana, or at least parts of it, has a peculiar custom.

Small markers are posted along the road wherever someone is killed in a motor vehicle accident.

While this may tend to make some roadways look like cemeteries, and no doubt many people find it gruesome, there is something that can be said for it.

It's a rather dramatic reminder that accidents can and do happen, and that driving can be hazardous.

Unlike the crash of an airplane, where scores of people are killed at once, auto accidents appear to be insignificant by comparison. One killed here, two or three there, scattered across the nation.

But insignificant isn't really the word. Each year over 50,000 people are killed on the nation's roadways, and millions badly injured.

In fact, many more people have been killed in motor vehicle accidents in the past 70 years than have been killed in all the wars in which the nation has been engaged since its founding almost 200 years ago.

The fatality 'rate' has stabilized in recent years — actually, it has decreased a little. This refers to the estimated number of total miles driven by all vehicles compared to the total number of fatalities.

Still the figure is enormous, and the cost in the billions.

What can be done?

No one has the answer.

Overall, highways are better than ever before. So are the vehicles themselves. Freeways have helped tremendously to cut down on accidents. And recent safety devices in vehicles have helped, as the federal government passes increasingly stiffer laws to help ensure the safety of occupants of all types of vehicles.

While most roadways are better, many are not. But all roadways must carry more and more traffic, and many simply can't do it safely.

And then there are those roads which are simply not designed for today's fast-moving traffic.

Carmel Valley Road has been greatly improved

over the years, and more improvements are contemplated.

Between the Village area and the mouth of the Valley, there is a steady flow of traffic in both directions. Most of the Road is posted for 55 miles an hour.

But there are a number of places where it is posted for 35 miles an hour, and in the case of one bad Curve, the limit is 25 miles an hour.

If the system used in Montana were used here, there would be quite a few 'fatality markers' at that point.

In fact, two more would have been added already this year, which is barely a month old. It's probably asking too much for this particular part of the Road to be given an urgent priority.

Any changes in the right-of-way would have to be made with relation to the Road on both sides of it. And a steep bluff has to be contended with, and the cost of eliminating this sharp curve could run into the hundreds of thousands of dollars.

So people — especially strangers to the Valley — will just have to continue to take their chances.

It's really too bad.

Lives that have been lost there, and those that will be, are pretty costly too. In fact, considerably more than the cost of eliminating that particular Curve, whatever the price.

PERSPECTIVE

TO THE EDITOR

Dear Sir,

THE MASTER PLAN ENDANGERED?

The C.V. residents fought hard and consistently to preserve plenty of elbowroom in this area in order to keep the peace and beauty they sought and found, before outside land speculators and eager beaver subdividers had a chance to swamp them.

The result after those hardfought fights:

The one acre limit masterplan geared to sufficient business enterprises to make a happy and healthy community.

Ergo: If our chosen representatives meant what they said in their campaign promises during their solicitations for county supervisory, planning and advisory offices, they should ever and unflinchingly show evidence that they are and remain and intend to remain on the constituents' side and not on the side of the enemy (all those who propose reduction of one acre limit and upping merchant aspects of this area).

Thus we may focus on two opposing and incompatible attitudes:

1. -THE CONSTITUENTS' SIDE

The inviolate intent as expressed in the Master Plan, to be protected at all cost by our chosen, not a variable. We insist that the character of our area be maintained, and that the major device to maintain it as near as can be hoped, is the one-acre limit.

2. -THE ENEMY'S SIDE

His intent also is a constant and not a variable. When set limits do not suit his convenience or pocketbook, he will always try to get around the expressed wishes of the community, leave nothing untried to break down limits which were designed to restrain his greed. His hope is always to find loopholes in wording of regulations, to introduce arguments which are designed to cover their own intent, and to break down ours. Terms as: hardship case, inevitable growth pressures, and other such imageries are now to deserve special considerations, not for a single individual but for large scale projects. Anything to suit their own convenience regardless of the community's wishes.

It is therefore at this point that we are alerted by the voices of doom among our representatives, that we should prepare ourselves that the one acre limit may have to be broken down. It is NOW that we must

raise the question: "On whose side really are you?"

"If you have in the meantime changed your attitude, at least remain honest with us and resign, in order to make room for one who is on our side in fact and not in words that may be employed as smoke screens behind which our enemy is trying and perhaps succeeding to convert erstwhile friends into enemies."

This letter hopes to stress our determination to keep the C.V. Master Plan in tact against all comers. It hopes that it will wake up the weak-kneed among our representatives into the awareness that we gave them a potent weapon to be used simply and boldly. Any and all proposers of plans incompatible with the one acre limit can be answered thus: You picked the wrong area in the country. Look for an area where no one-acre limit exists. Then shake hands with the man, wish him good luck if you think you must, and maybe ask him for a friendly visit with us after he got settled elsewhere.

What hardship? What pressures? etc., if we never let them get to first base to begin with?

The picked man to represent us should think twice before he chooses to betray us. Has he somehow become hypnotized in believing he can kid us? He may not realize that he may be kidding himself in this unfortunate process of ruining his reputation in the eyes of his neighbors who have them their trust.

Alexander G. Weygers

CLUB ACTIVITIES

C.V. Garden Association

The Carmel Valley Garden Association will hold its regular monthly meeting in the multi-purpose room on Tularcitos School Thursday at 8 p.m.

Speaker of the evening is Mr. Don Hickman of the Tiki Home and Garden Shop in the Mid-Valley shopping center. "Orchids as a Hobby" will be his topic with a question and answer period about gardening in general to follow. The public is invited.

The Rhyming Philosopher

AMOUR

In these few words, accept from me a sign
That love for you is not a passing phase,
Such as the west wind's warming breeze
Induces fairy fantasies,
Then off to find some newer trysting ways.
Not I to thus betray my Valentine!

Nor shall my love be vagrant as the leaves,
To scatter at the first cold Winter blast,
But rather as the humble oak

Defies the lightning's master-stroke,
Nor bows its tousled head or shrinks aghast
While elements are toppling other trees.

Regard me if you like as one who serves
A feast of love awaiting for your call,
That you may sup or dine at will,
To dally 'round or drink your fill;
And I your constant ready banquet hall
Affording rich desserts and fresh hors d'oeuvres.

Here's soup and meat and heady wine
If you will be my Valentine!

Sodality

The Sale-O-Rama sponsored by the Sodality of Our Lady of Mt. Carmel Catholic Church will be a half price sale in the shop at the rear of the church on Saturday, February 15, from 10-5.

Volunteers to help mark items the preceding day are asked to call Jean Quarteroni or Terry Decker in charge of sales.

Proceeds from the shop are used by the Sodality to supply replacements for the Altar as well as flowers. Gertrude Stoney and Patsy Wester have charge of Altar upkeep assisted by many members.

The Sodality's new 1969 project supports the CCD program. This provides Catholic instruction for Catholic children. It supplies visual aids such as movies, books, cards, etc.

The project supported by 25 people, is under the guidance of Mrs. W.G.B. Hatch and Sister Helen.

Audubon Society

Dr. Victor Morejohn of San Jose State college and Moss Landing will speak on "Marine Bird Adaptations" at the regular monthly meeting of the Monterey Peninsula Audubon Society Friday, at 8 p.m. at the Carmel High School.

Gem & Mineral Society

The Carmel Valley Gem & Mineral Society will hold its regular monthly meeting on Friday, at the Carmel High School's Brey Hall, at 7:30 p.m.

The guest speaker will be G.A. "Gus" Mollin of San Leandro who will speak on "The History of Amethyst", which is the February birthstone.

Mr. Mollin is one of the foremost faceters (or gem cutters) in the West, who has won every faceting award offered, including the coveted American Federation National Award, which he won at the 1964 National Gem Show, in San Antonio, Texas. He has over 40 ribbons and numerous other trophies. Mr. Mollin also manufactures the Taylor Faceting Machine.

There will also be a special amethyst display at the meeting, and society members have been re-

quested to wear or bring their "Braggin' Amethyst." Visitors are welcome. For further information you may call the program chairman, Mrs. R.A. Mull-nix at 624-2339.

C.V. Women's Club

The Book Discussion Group sponsored by the Carmel Valley Women's Club will hold a meeting on February 27 at 11 a.m. at the Thunderbird Shop.

Mrs. Tom Bottaro is chairman of the group with Mrs. Mildred Armstrong serving as moderator.

The problems dealing with members of our Negro population is the topic which has been selected with excerpts to be taken from "Soul On Ice" by Eldridge Cleaver, "Black Rage" by William H. Grier and Price M. Cook and "The Autobiography of Malcolm X."

TO THE EDITOR

Enclosed please find the letter we are sending to approximately 3,000 patrons of Sunset Cultural Center and the arts.

I am certain there are many others who would like to help in the restoration of Sunset.

I would like to let them know that even though they haven't received the letter, they may send in their donation, which is tax deductible, and we will be happy to inscribe a seat to the donor.

Thank you very much for your efforts in our behalf.

Sincerely,
Cole Weston, Manager

TO THE FRIENDS AND PATRONS OF SUNSET CULTURAL CENTER

The Carmel Cultural Commission, with the full support of the Carmel City Council, has embarked on a program to renovate and refurbish the Theater at our Sunset Cultural Center. The anticipated cost

is approximately \$75,000.00, which will include the installation of 714 new seats, repainting of the theater interior, and installing an acoustical shell on the stage for musical presentations.

While the City Council has budgeted \$35,000.00 toward this renovation, there still remains approximately \$40,000.00 to be raised by private subscription if the complete improvement of our Sunset Theater is to be accomplished. For this purpose, our Theater Restoration Committee has been formed.

For those who wish to contribute to the theater renovation, every \$50.00 donated will be acknowledged by a metal plaque on one of the theater seats, naming the donor of that seat. In further recognition of the contributions toward the theater's renovation, donors will be invited to a private preview opening of the theater, when the work is completed and the new seats are in place. We expect this to be a gala affair, with a very special stage performance for your enjoyment.

The need for completely renovating and improving the facilities of the Sunset Theater is great and long overdue. For more than a quarter century, Sunset Theater has been the home of the Carmel Bach Festival, the Carmel Music Society, the Monterey County Symphony, and has been the scene of some of the most outstanding performances of famous artists

from all over the world.

Your subscription to the Sunset Theater renovation will enable us to fulfill a long cherished dream by the creation of a new and modern theater that will retain all of its present grace and charm. Your help will enhance the continued success of Sunset Theater and will reflect the greatest credit and distinction on our community.

Cordially,
Ashton A. Stanley, Chairman
Theater Restoration Committee

P.S.—Please make your checks payable to "Sunset Theater".

IN SHORT

A rock concert will be presented at the Monterey Peninsula College gymnasium Saturday at 8:30 p.m.

Two popular rock groups, "The Sir Douglas Quintet" and "Cold Blood" are being sponsored by three MPC clubs, the Rock 'n' Roll Club, Phi Sigma Kappa and Circle K.

Valley Chamber strongly opposes oil exploration

A strong stand opposing any oil exploration in the waters off the Monterey County coastline was taken by the Carmel Valley Chamber of Commerce.

At its meeting last Thursday, the chamber passed unanimously a resolution to this effect. The resolution was directed to the Monterey County Board of Supervisors, with copies to all elected representatives, state and national, who serve this area.

The problem was brought to the attention of the chamber by

Dr. Ed Marcucci, who heads the Monterey area planning commission. He said that group had taken an unequivocal stand on this issue, and urged the board to do the same.

A resolution was offered by Lou Gardner which stated that the Carmel Valley Chamber of Commerce "strongly opposes the exploration for oil in the waters off the Monterey County coastline".

Gardner said that the possibility of off-shore drilling here is a real one, and pointed

out what had happened to Santa Barbara.

"Aside from the recent problem which they have had," he said, "the fact is that the oil rigs now in operation near Santa Barbara have spoiled that beautiful coastal community. Tourism is a lot more important to them than the oil industry."

In discussing the problem, many pointed out the desecration of the beaches in the Santa Barbara area which is occurring from a broken oil line, which has allowed thousands of barrels of oil to despoil beaches

in both Santa Barbara and Ventura counties.

Everyone agreed the Monterey County wants to avoid such a problem at all costs. Dr. Marcucci said that the Marathon Oil Company already has a permit to explore for oil in the Monterey Bay area. There was a lengthy discussion as to the wording of the resolution, some suggesting that it should be aimed at prohibiting scenic and water pollution, rather than a blanket condemnation of oil exploration per se.

The membership finally voted in favor of the blanket opposition to any and all oil exploration.

Storm damage mounts high

Because of recent rains and flooding, private and public damage in Monterey county amounted to \$10,000,000 according to the California Disaster Officer.

Bridges, roads, streets and utilities are included in the estimate of public damage. Mainly agricultural losses made up more than eight and one half million dollars of the private damages.

After a month of mudslides and heavy rains, Monterey County and 15 other California counties were added to those designated disaster areas according to White House information Rep. Burt L. Talcott, R-Salinas.

Residents of the declared disaster areas are eligible for various federal assistance programs, ranging from some \$1 business loans to farm assistance programs.

Mme. Ziceva invited to ballet seminar

At the invitation of Dance Masters of America, Mme. Olga Ziceva attended a one-day ballet seminar as an honored guest in her former ballet school in San Mateo.

She was accompanied by four of her advanced students who visited all the classes. They were Susan Ellenblat, Carole Storm, Clinora Riley of Salinas and Frances Smith of Pacific Grove.

Mme. Ziceva, who conducts a ballet studio in the Village, is former president of Dance Masters of America, a position she held for six years.

Jan Kucera to speak on Red menace Sunday

Jan Kucera, a Czechoslovakian minister forbidden by the Communists, in 1959, to preach in Czechoslovakia, will speak on Communism and Freedom at the Carmel Woman's Club February 17th at 2 p.m.

Mr. Kucera arrived on the Peninsula in December, having obtained his passport before the Russian invasion, and is working with youth groups and acts as an associate pastor in this area. His wife and two married children remain in Czechoslovakia, and Mr. Kucera intends to return to his country after a year in the United States.

"The worst enemy of Communism is religion," says Mr. Kucera. After being relieved of his ministerial position he was put on a work gang in Bohemia, and while there was able to influence the religious beliefs of some of his fellow workers by asking simple questions. In this way they saw the alternative and good of religion.

This is not Mr. Kucera's first visit to the United States; he came as a young man to the Czech Brethren (Reformed) Church, and studied at the Union Theological Seminary in New York City, and has studied at the London school of economics.

The president of the club, Miss Ianthe Densmore, will preside at the meeting. Mrs. A.C. Bryans, chairman of the book section will introduce the speaker. Greeting members and friends at the door will be Mrs. E.G. Friez and Mrs. J.H. Woolsey. Pouring tea after the lec-

ture will be Miss Mary Olive Davey, Mrs. C.U. Fonteneau, Mrs. M.S. Hughes, and Mrs. H.J. Stamm. Leading members in the Pledge of Allegiance to the Flag will be Mrs. Gladys L. Willey.

Services held for Navy child

Memorial services were held last week for William L. French, Jr., 10-year-old son of Comdr. William L. French (USN) and Mrs. French of Carmel Valley at St. Dunstan's Episcopal Church.

Besides his parents, William leaves two brothers, Mark Robert and Stephen George, and two sisters, Kristin Louise and Kimberly Ann, all of Carmel Valley.

He came to the Valley with his parents two years ago to reside on Palisades Drive off Robinson Canyon Rd. The family must leave this week for Norfolk, Virginia where Comdr. French reports for his new duty assignment.

Friends wishing to make contributions in the memory of William L. French may do so to the Special Leukemia Fund, Monterey County Cancer Society, P.O. Box 1028, Monterey.

Garden Thoughts

by Salih Mehdy

of the Oleander Garden Shop

We have had plenty of rain in a short time, and that means to the gardener many things.

A gardener knows that soil saturated with water and with free water on top is harmful to the welfare of roots. Try to lead extra water off downhill to relieve the roots from suffocation.

Water-logged soil is also a poor anchorage for trees, so that even with mild wind many trees have fallen down. Our silverdollar eucalyptus fell and it was a sorry sight to see. I cut about 2/3 of its branches to lighten it, and with the help of a fourteen-year-old friend, Tom Massaglia, and his expert knowledge of using levers and chains, we were able to put the tree up again. It said thank you in a language known only to gardeners.

Too much rain also means leaching the soil of some of its valuable minerals. Nitrogen is the first to leave with the run-off. This loss has to be replaced by adding organic and inorganic fertilizers.

Before starting to remove outcropping boulders from your yard and garden area, try to think whether you can utilize these stones as landscaping features in your garden.

With a little modification here and there and some rock garden plants, you might create something very attractive. Use a car jack to lift heavy boulders. Dig under the edge you want to

lift enough to accomodate a 2" x 4" x 10" board, to act as a base for the jack.

Under no circumstances, put your hand under the rock. The jack might slip back and the rock crush your hand. After elevating the rock, you can put a dolly under it to move it about, or tumble it off downhill or in the direction you want.

If you have not done your dormant spraying yet, you had better do it quickly, now that all the leaves have fallen from deciduous trees. Spray them with a dormant spray which contains an insecticide and a fungicide. The combination of Volck and calcium sulphide makes a good spray and it is not as harmful as others.

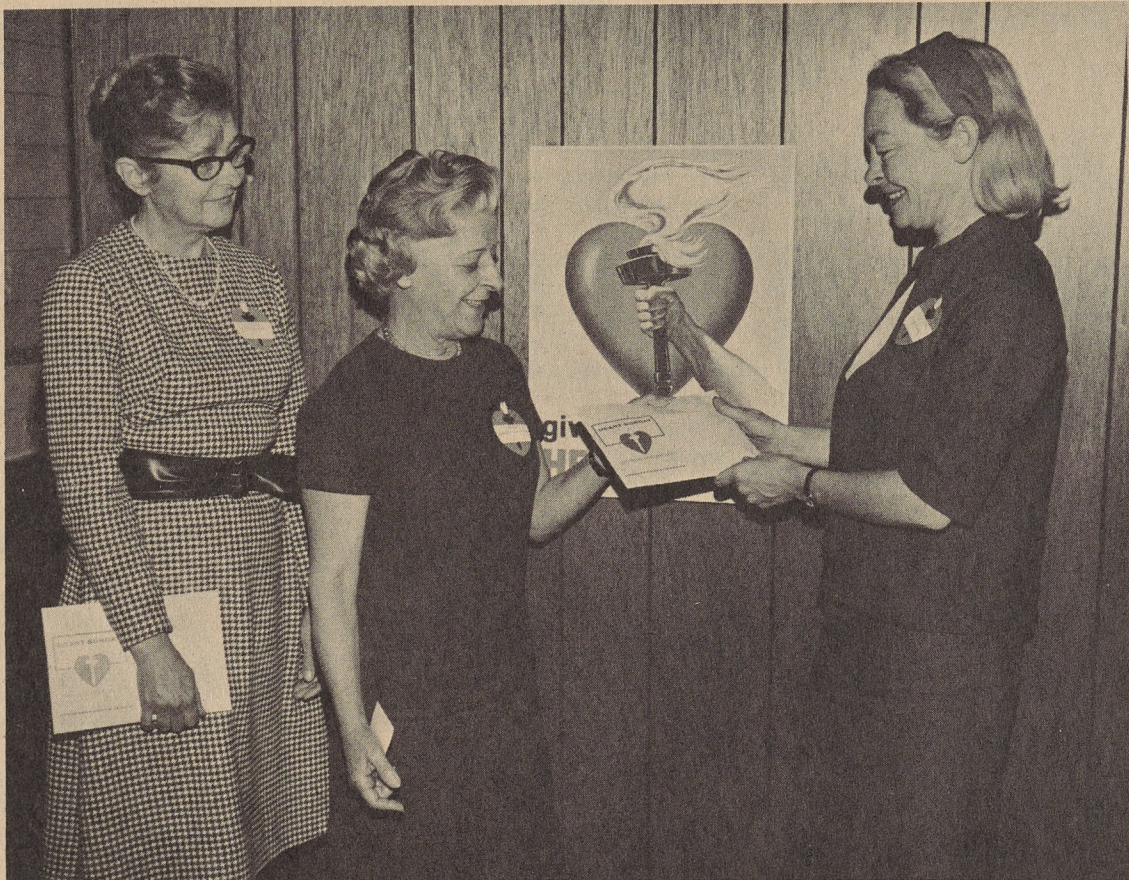

If there is a swimming pool, fish pond, or birdbath near trees to be sprayed, cover them first with plastic, so the water will not be contaminated with falling and drifted spray.

A cliché becomes stale by being repeated over and over again, but here is one which is very good, especially for new gardeners: "Read and follow directions on spray bottles; use no more, no less. Keep them out of reach of children or in a locked cabinet. When containers are empty, dispose of them in the garbage can."

Earthworms in the soil indicate its fertility. These worms come to the surface at night and eat any debris or soil which has organic matter, such as decayed leaves. This material goes through the worm's digestive system, some of it being absorbed and some discharged as castings. These castings are the best soil you can get.

The worms get rid of these castings on the surface, and thus they are always aerating the soil by tunneling it. They can tunnel anywhere from 3 to 5 feet deep into the soil. Do not encourage earthworms in pots, because they might clog the drainage hole. Golfers do not like them because their castings are a nuisance to them on the green turf.

Fishermen like the worms for bait. Luckily for the worms, they are not conscious of our existence and of our likes and dislikes!

HEART RESIDENTIAL DRIVE Local Chairmen for the 1969 Central Mission Trails Heart Association campaign discuss plans for the neighborhood fund campaign starting this week. Volunteers will seek support for the Association's locally directed program of research, education, and community service. From left: Mrs. Ruth Fike, Carmel Valley; Esther Crank, Monterey County Chairman; Mrs. Halli Halverson, Monterey City.

Squire and Neill open art store and gallery

A new and entirely different kind of artists' supply shop and gallery will open this weekend in Carmel Valley.

From the days when there was no alternative for Valley artists but to make the trek into town for supplies, the trend will be reversed if the owners of THE AARDVARK have their way. With their new and better mousetrap, they expect to lure artists from all over the Peninsula and from as far away as King City, Gilroy, and Santa Cruz.

Long-time Valley residents Donn Squire and Del Neel (coach and manager of the Cypress Swim Club) have dreamed for several years of opening this very shop. Together with their partner, Bill Samuel, a marine biologist formerly assigned to the research vessel Te Vega, they have been working for the past several months to make this dream become a reality.

On Sunday, February 16th, the dream, will come true with the grand opening of THE AARDVARK, the Peninsula's newest and most unusual artists' supply shop and gallery at #20 Bernadelli Square. Open house will be held from one until five o'clock in the afternoon, and refreshments will be served to all visitors. The public is cordially invited to attend.

Impressed with the potential of Bernadelli Square, a series of studios occupied by a group of the Peninsula's finest artists and craftsmen, the three partners rented space there last September and went to work in earnest on their plans.

Basically, the plan is that artists will be offered the highest possible discount on all artists' supplies. Peninsula artists have long complained about the already high and increasing costs of their materials. If they become members of THE AARDVARK's membership plan, they will be entitled to dis-

counts ranging from 10% to 20%. The partners feel that this will encourage enough artists to make the 12-mile trip to the Valley to make it all worthwhile.

Then, too, the gallery is planned as a showcase for artists who are local residents with national recognition, but who are seldom shown in this area. The opening show, for example, will be of the latest works in watercolors and oils by George Downs, AIA, who has won awards throughout this country and Mexico, and who has lived here for some time, but is better known as an architect than a painter, even though his watercolors have been compared to those of Turner.

Future shows will feature such artists as Anna Hoffman, designer of the murals for the Matson Lines' fleet of luxury liners; Chesley Bonestell, the creator of the friezes for the War Memorial Opera House in San Francisco, whose paintings of outer space are actually super-realism, but seem to be abstractions; and many others. In addition, shows are planned of master-craftsmen in such arts as tapestry, ceramic

sculpture, iron sculpture, and tiles.

The shop will cater principally to the needs of serious and professional artists, but will also carry an excellent brand of student quality materials at reasonable prices, and hopes to be able to assist anyone interested in art.

THE AARDVARK's slogan, "The greatest names in the world of art will be found at THE AARDVARK," will be true of the gallery as well as the shop itself, which will stock, amongst others, such highly respected brands as Windsor-Newton, Shiva, Permanent Pigments, Bocour, Bellini, etc.

Lot division wins committee approval

The creation of two panhandle lots on De Amaral Road requested by S. Kempner were approved by the Upper Carmel Valley Advisory Committee last week.

This will give the owner two building sites of 2.52 and 4.24 acres.

The committee also approved the sign for The Encounter, a new coffeehouse on Carmel Valley Road next to the post office.

Monterey High offers 'Family Life' class

Miss Dolores Vigil

Everyone knows that if a boy plans to become a mechanic, he naturally enrolls in classes such as auto mechanics and engineering, and if a girl desires to be an artist, she takes classes that offer to teach her what she needs to know about art.

Now, at Monterey High School, there is a class that will teach students the facts about marriage and prepare them for married life.

Available for senior girls only, Homemaking IV, better known as Family Life, was created to prepare a person for living in the world after high school.

Family Life is taught periods one, two, and three in room 83 by Miss Vigil. The course was designed to last a full year and is divided into different areas that a future mother and wife should have knowledge about.

According to Miss Vigil the girls begin the course by talking about themselves. They use psychology and learn why they react as they do. They discover how to get along with their families and friends. Finally, they discuss dating, engagement, and marriage. Information concerning drugs and venereal disease is also given.

The girls spend the second semester studying consumer economics. They will learn how to purchase insurance and of what importance it is to the possessor. Budgeting is more or less the theme of this semester. The purchasing of linens, crystal, silver, china, and furniture is discussed.

During the fourth quarter the nature of reproduction is studied. The girls begin with information about conception, following with the life cycle of the embryo to birth, and finally receive information about the first year of the child.

Family Life has been in existence for four years, and Miss Vigil has been teaching it for two years.

For next year a new program is being planned. Miss Vigil said, "The school hopes to have both boys and girls together, with a man and woman teaching team."

Expanded budget planned by chamber this year

A budget in excess of \$4,000 is planned for 1969 by the Carmel Valley Chamber of Commerce.

An outline of possible income and expenditures was presented to chamber members at its meeting last Thursday by the

chamber president, Bob Kvenild.

It is expected that the finance committee will present a detailed budget at the next meeting of the group.

During a discussion, several members suggested that the new

budget make provision for an additional amount to be spent on advertising and promotion over previous years.

The local chamber can qualify for \$2,000 from Monterey County if at least this amount is actually expended for advertising and promotion during the year.

A tentative budget offered by Kvenild called for the expenditure of \$2,100 for this purpose.

If it qualifies, the chamber will be able to carry out an active program during the year. The rest of the proposed income will come from membership dues, estimated at a conservative \$1,500 and from a balance carried over from last year of \$598.00.

The finance committee includes Kvenild, Mrs. Pat Swan, Al Smith and Tom Bottaro.

Other committees have not been named as yet, although Skip Marquard has been named to head the advertising committee.

The chamber hopes to enlarge its membership this year, and is engaged in an active campaign to add as many businesses as possible which operate in the Valley. Last year there were a total of 70 members.

\$36,000 monthly from Social Security 417 Carmel Valley residents receive

Social Security payments pour \$36,000 a month into Carmel Valley, the local Kiwanis Club was told at its meeting last week.

Ray MacDonald, field representative on the Monterey Peninsula for the Social Security Administration, also said that there are now 417 Social Security recipients in the Valley.

MacDonald added that these payments are now a vital part of the economy not only in Carmel Valley, but throughout the nation.

In fact, the figures are fantastic.

He said that since payments first started in 1940, from a mere handful, they have already grown to 24,115,000 recipients in the nation, and they receive over \$2 billion a month.

Other figures for the Peninsula area were cited. In Carmel there are now 3,289 recipients who receive \$296,000 a month; Pacific Grove has 1,635 and they get \$231,000 a month.

While payments now average \$90 per month, a person can receive as much as \$168, or twice that much for a married couple both of whom are eligible. At the outset a person received \$22.60 per month as a maximum payment.

But the cost of the program has already skyrocketed. When payroll deductions started back in 1937 they were only 1% on the first \$3,000 earned. It is now 4.8% on the first \$7,800 and it is already slated to rise to 5.9% and it may be even more than that if Congress so decrees.

"As we now see it," Mac Donald added, "maximum payments to a couple will be \$434 per month, since their contribution and that of their em-

ployers will contribute considerably more to each individual's reserve account."

While there are limitations in the related Medicare program, which just started in 1967, Mac Donald said that eventually everyone should be covered, whether or not they have been a part of the Social Security system.

MacDonald, who has held his present position since 1959, was introduced to the club by Lou Gardner.

In a report to the club by Joe Ricupero on the Boy Scout troop (No. 127) which it sponsors, he said that it is now well organized but could use some extra support from Kiwanis club members.

"A member of our club should attend Scout meetings, so that those boys know that we are giving them more than just our sponsorship," he added. George Clifford, club president, said this would be done.

Newest member of the Carmel Valley Kiwanis Club is Erasimo Belleci.

Talented cast assembled for new Circle Theatre play

Director Charles Thomas has assembled a very talented group of actors and actresses for the Community Theater's next production, "When We Are Married", J.B. Priestley's farce comedy about marital mix-ups.

The opening performance has appropriately been set for Valentine's Day, February 14.

Emily Ford Leonard will be playing Mrs. Northrop, the aggressive, but humorous housekeeper. Mrs. Leonard has played many roles with the Circle Star Theatre in San Carlos, and last fall with the Community Theater, brought the house down every performance in the role of "Sadie" in "Ready When You Are, C.B.!"

Ed Shinbrot, in the role of Councillor Parker, is one of the most sought after character actors on the Peninsula. His exceptional talent ranges from a vicious killer in "The Desperate Hours" to the highly comic male nurse in "Harvey".

Mary Burton will portray

Annie Parker, the quiet hopeful wife of the Councillor. Miss Burton has appeared at the California First Theatre, and most recently as Lorraine Sheldon in the Naval Post Graduate School production of "The Man Who Came To Dinner."

Donald J. Ross has the role of the wife-dominated Herbert Soppitt. Mr. Ross is a graduate of the Pasadena Playhouse, has appeared in films, and has several seasons of summer stock in New York to his credit.

Donna Howland will be the noisy Clara Soppitt, who keeps her husband tied to her apron strings. Donna has had leading roles in "Susan and God", "High Tor" and "Liliom".

Al Olinger has been cast as Alderman Helliwell. Mr. Olinger played Mayor Cargan in the Circle's presentation of "Seven Keys To Baldpate" last summer. For many years he was the producer-director for the California First Theatre.

Berry Hughes, in the role of the pompous Maria Helliwell,

LEISURE TIMES

Young artists will solo

Two young artists will be featured soloists with the Monterey County Symphony Orchestra for the 1969 Youth Concerts to be held Saturday, February 15 at Sunset Auditorium, Carmel.

These talented young musicians are first-place winners of the recent Young Artists' Auditions, are Andrew Erlich, 16, violinist, and Juanita Messerli, 16, pianist.

Andrew, who attends Robert Louis Stevenson, started his violin training in Los Angeles at age six. He is now concertmaster of the Youth Orchestra and a member of the Monterey County Symphony Orchestra. Andrew is currently studying with Michael Rosenker at MPC.

Juanita, attends Seaside High School and is a student of Wade Parks. She is official organist in her church and accompanies the High School Accapella Choir, Madrigal Singers and Mixed Chorus. She is on the

Honor Roll and represents her class on Student Council.

BUSES FROM VALLEY

Carmel Valley students will be bussed to the 10:00 a.m. concert. If the Miramonte road damage is repaired by Saturday, normal school day bus stops will be made starting at Tulareitos School at 9:00 a.m. reaching Farm Center at approximately 9:15. If the damaged road is not repaired by that date, a bus will pick up valley students at Farm Center at 9:15 a.m. Parents living beyond Farm Center are encouraged to form car pools to bring children to that pick up point.

PROGRAM

The program on Saturday will open with the "Star Spangled Banner" followed by the overture of the "Light Cavalry"

played Edna in "A Delicate Balance" last spring at the Circle. She has participated in many little theatre activities, from acting to costume design.

Saxon Rawlings plays Gerald Forbes, the young upstart organist from the village church. Saxon most recently appeared in the Studio's productions of "Carnival" and "Guys and Dolls".

Eliane Yates, who has had much experience in local little theatre as well as in Texas, has been cast as Nancy Holmes. Mrs. Yates has just completed "Guys and Dolls" at the Studio.

Vern Peckover and Robert Rojas have been cast as two rather cheeky photographers. Mr. Peckover will be remembered for his wildly funny portrayal as the "Ghost" in "Seven Keys To Baldpate" last summer, and this is the first little theatre experience for Mr. Rojas.

Judy Kay Dawson will play Lottie, the vamp from the local pub. She has appeared in four shows at the First Theater, and this is her first show with the Community Theater.

Mike Williams, a teacher at Alisal High School, plays Rev. Mercer, and Evelyn Hughes as Ruby, makes her first appearance at the Circle. Miss Hughes is a student at Carmel High School.

"When We Are Married" will play Fridays and Saturdays at 8:30, and Sundays at 7:30 for six weekends through March 22nd.

Director Charles Thomas has Ramon Wilson as his assistant director, with Grace Houghton as Stage Manager, and Ruth Jordan Allan as production assistant. Reservations may be made by calling 624-2669.

Violin Recital at MPC next Sunday

Michael Rosenker, the distinguished violin soloist and former concertmaster of the New York Philharmonic and Metropolitan Opera Orchestra who has been an instructor in the Monterey Peninsula College music department since last fall, will present his students in a violin recital Sunday, Feb. 16, at 8:30 p.m. in the MPC Music Hall.

The program will include Erick Spritzer, playing "Melodie" by Gluck and "The Bee" by Schubert; Lynne Stone, playing the first movement from "Concerto in A Minor" by Johann Sebastian Bach; Christine Beckstrom, "Romanza" from "Second Concerto" by Wieniawski; Andrew Erlich, first movement from "Concerto No. 4" by Mozart; Mark Spritzer, first movement from "Concerto" by Mendelssohn; George Beck, second movement from Mendelssohn's "Concerto"; and Henry Baron, "Four Rumanian Dances" by Bartok.

The entire ensemble will end the program with a presentation of "Allegro" from "Sonata No. 3" by J.S. Bach.

Frederick Schaad will accompany the performers on the piano.

The recital is open to the public without charge. No tickets will be required for admission.

School bus service to Carmel Valley restored

The school bus crisis is over. Beginning Thursday, parents whose children attend Carmel High School or Carmel Middle School will no longer have to transport them to the Mid-Valley Shopping Center.

At a special meeting of the school board of trustees on Monday, permission was granted for the large 91-passenger school busses to use the Miramonte Road by-pass, while heading west, and the one-way section on Carmel Valley Road near Miramonte while heading east.

The crisis goes back over two weeks, when the raging Carmel River eroded Carmel Valley Road so badly at this point that traffic over it was sharply curtailed, and no heavy vehicles were permitted to use it.

It will be many months before the road can be rebuilt.

At the meeting Monday, officials from the county, from the California Highway Patrol, the school administrative staff and the school trustees reviewed the problem in depth.

All agreed that school bus service to the Carmel Valley Village area should be restored as soon as possible, and that the

only way to do it was to use the Miramonte Road by-pass.

So beginning Thursday, the three large school busses will resume their normal schedule both in the morning and afternoon.

Which means that the nearly 200 high school and middle school students who live east of the Mid-Valley center will get their regular school transportation restored.

During this emergency, parents have had to take their children to the busses at the shopping center in the morning and then pick them up in the afternoon. For some parents, this meant as much as 40 miles of driving each day.

Bruce W. McClain, county road commissioner, told the meeting that it will be over three months before permanent re-construction of Carmel Valley Road at the washout can be completed.

"It is not possible to widen the road at that point," he said, pointing out that a cut into the bluff has already been made. "We will have to restore and stabilize the fill on the river side, and this is going to take time."

He pointed out that the county must get state and federal aid on this project, and that in doing so, the formalities involved will take time.

(Willard T. Branson, county supervisor, said earlier that the county is confronted with damages to roads estimated at \$1,200,000, and that the county must take advantage of as much state and federal assistance as it can qualify for.)

McClain and Capt. F.F. Simmons, commander of the C.H.P. in the Monterey area, both agreed that the by-pass and the weakened road would safely handle the large busses. The one-way road at this point is on firm base.

Simmons reported that a group of officials had carefully examined Miramonte Road and all agreed that the vehicles could use it. But several low-overhanging branches would have to be trimmed back, and

Students to leave for foreign study

Two Carmel High School girls, Lynn Fryback and Athena Shudde, have been notified of their departure dates and the names of their "foreign families" under the Americans Abroad program of the American Field Service.

Lynn, daughter of Dr. and Mrs. Fryback of Carmel Knolls, leaves the last of February to attend school in Japan. She will live with the Haruo Ota family near Kamakura where she will attend high school with the daughter in the family.

Athena, daughter of Mr. and Mrs. Rex Shudde of Carmel Meadows, will leave next Tuesday to be a "member" of the Armando Osman Peiroten family in Sante Fe, Argentina. Her school will be a Catholic girls school, Our Lady of the Orchard.

some gravel fill added in one or two places. One branch reached as low as 11 feet, and a minimum 12-foot clearance would be necessary.

In giving approval to Supt. Harris Taylor to re-start bus service, the trustees emphasized that only his "best and most capable drivers" should be used. The Miramonte by-pass, about a mile in length from Carmel Valley Road to its intersection with Los Laureles Grade, is restricted to one-way traffic. The large busses especially will need every inch of the narrow, winding road.

In spite of the apparent hazards, the school trustees were reassured when they were told that other school busses in the county are regularly using roads even less desirable than

Heater causes fire in Thornburg home

A fire early Sunday morning in the Richard Thornburg home on East Garzas road originated in a portable heater causing approximately \$1,000 damage.

The Carmel Valley Volunteer Fire Department responded to the 5:05 a.m. call with five trucks and a crew of 22 men, who promptly confined the flames to a bedroom where it started.

Nancy Thornburg, 14, occupied the room, and was awakened after flames spread from the draperies to two beds and a wall. She escaped without injury.

First aid given to bear hunter

First aid was administered by the Carmel Valley Volunteer Fire Department last week-end to a Fort Ord man who accidentally shot himself while hunting for wild boar in the Los Padres Dam area.

Sgt. Herbert L. Clement, 26, with a companion Don Crum also of Fort Ord, was hunting for wild boar when some dislodged roots fell and hit the hammer of his revolver causing the gun to fire.

The bullet lodged in the left side of his right foot after going through his right leg.

The 2-1/2 hour rescue was conducted by Ranger Emil Pozzi, Harold Steinmetz of Carmel Valley, and Robert Orass of the Valley fire department.

A boat was used to cross the reservoir to reach the vicinity of the accident where a stretcher was lowered to the two hunters.

Clement was brought back to the fire station in the Village by the Red Cross Ambulance operated by the fire department volunteers. He was given first aid, and was transported from here to Fort Ord Hospital for treatment.

Miramonte.

Since today (Wednesday) is a school holiday (Lincoln's Birthday), busses throughout the unified school district will resume their normal schedules on Thursday.

Injuries sustained by Valley woman

A one-car accident was reported on Carmel Valley road last week, when Patricia Maxinoski of the Valley was injured as her car went over the bank near Scarlett Road.

She was taken to Community Hospital by the Red Cross ambulance operated by the Carmel Volunteer Fire Department.

Fire Department makes two calls

Two service calls were made by the Carmel Valley Volunteer Fire Department during the week.

Mrs. Betsy Bingham, Ford Road, reported a wall heater that wouldn't shut off. The department responded by disconnecting the heater and advising repairs.

A broken bathroom pipe flooded the apartment below the George T.C. Smith residence at Lazy Oaks, River Road. Water was shut off and repairs advised.

Let's face it: this winter hasn't been so hot.

That's why your PG&E bill may leave you a little cold.

Your winter PG&E bills are bound to be bigger because they stand for more: More days and nights with the thermostat turned up. More lights (and burning longer). More hot meals. More TV watching and stereo. More of just about all the wintertime comforts of home. But remember spring is just around the corner. So your bill will be on its way back down.

That should make you feel warm all over.

Mr. and Mrs. Robert John Meyer

Roberts-Meyer wedding

Miss Nancy Lynn Roberts became the bride of Mr. Robert John Meyer in a ceremony last month at the Carmel Presbyterian Church with Dr. George Hunter Hall officiating.

Miss Roberts, the daughter of Mr. and Mrs. Kenneth V. Roberts of Carmel, wore an empire wedding gown of satin brocade with long bell sleeves and a train. Her veil was of

nylon net over a simple velvet bow. She carried a bouquet of stephanotis and white roses with satin streamers.

The bride was attended by her cousin, Mrs. Allan Hagar of San Diego; Mrs. Robert Bray of Carmel and Hawaii, and her cousins, Miss Marilyn Aldrich and Miss Victoria Stone.

Mr. Meyer, son of Captain and Mrs. E.R. Meyer of Bremerton, Wash., was attended by Crichton Boyer of Fresno, as best man. Ushers were David Roberts of Palo Alto, brother of the bride; and Thomas and John Aldrich, cousins of the bride.

After a reception at the Carmel Valley Golf and Country Club, the couple left for a skiing trip to Reno, Oregon and Washington. They will make their home in Fresno, where the bridegroom is employed as an electronics technician.

Do you remember....

Ten years ago this week

La Rancheria Property Owners Association elected a new slate of officers; General Dawley, president; Capt. Claude Dillavou, vice-president; Mrs. Lloyd Swanson, secretary-treasurer; Adm. George Lowry and B.M. Doolittle, board members.

A \$250 check was received from the Monterey Peninsula Volunteer Services to purchase a used piano for the Community Center.

I.T. Johnson gave a short talk on the importance of proper sprays during the dormant season at a meeting of the Carmel Valley Garden Association at Tularcitos school.

Chip Collins replacing Larry Gilbert is now official weather observer in Carmel Valley, and the Carmel Valley Fire Department is now official sponsoring agency for the Weather Bureau's auxiliary cooperative station.

Clyde and Beth Hitchcock at the Adobe Oaks Motel held a delightful "open house" on New Year's Day as a token of appreciation to the community for its support.

Rob McKinley was hurt when his car went out of control on "Porter's Curve".

Mrs. Robinson 'Exchange Week' to wed Peninsulan

Of interest to her many valley friends is the marriage next Saturday morning of Mrs. Arthur Granville Robinson to Nelson Taplin Nowell, both of Carmel.

A recent resident of Carmel Valley, Mrs. Robinson is known in literary circles as Elizabeth Clemons, author of children's books. Mr. Nowell is a retired Stockton business man and has made his home on the Peninsula a number of years. He is a member of the Monterey Peninsula Country Club and the Pacheco Club.

The ceremony will be performed in the presence of a small group of family members and friends. The Rev. James W. Brock, rector, will perform the 11 o'clock ceremony.

Mrs. Robinson will be attended by Mrs. Charles B. Hazeltine of Carmel, Kenneth M. Davidson, a Stanford University classmate of Mr. Nowell's will be best man.

Junior bridesmaids are Ann Goethals and Rebecca Jackson, and Nathaniel Jackson will be

"Exchange Week" for American Field Service brings Giovanni Mbweni of Uganda to Carmel High School and sends Grace Lim, local Malaysian student to visit for a week on a 500 acre Dairy Ranch near Tulare, Calif.

Giovanni has a full week planned by his hosts, the Tor Spindler family of Carmel. Besides attending Carmel High School with Mark Spindler, he will engage in outside activities and learn how different Carmel is from his other American "home" in Stockton.

The Carmel AFS Chapter will meet Thursday evening at the home of Mr. and Mrs. Gordon Clemons where Giovanni will talk about his home in Uganda during the social hour.

Grace Lim, who lives with the Jack Bruce family of Rancho Rio Vista, Carmel, is spending this week with the John R. Sullivan's who live on a Dairy ranch outside Tulare.

junior attendant for his grandfather.

Mr. and Mrs. Bruce Marshall, Mrs. Robinson's nephew and his wife, will come from Eureka for the wedding.

CLUB ACTIVITIES

Lions Club

John Scroggs, manager of the COMSAT installation in Upper Carmel Valley, presented an interesting program to the Carmel Valley Lions Club last week.

He described the COMSAT system as a potential international peacemaker, since COMSAT is involved with and partially owned by 63 countries, with its prime aim to contribute toward better world understanding.

He presented a narration with slides which dramatically showed the capabilities of satellite communications.

Mike Downey was program chairman for the evening.

It was announced at the meeting that the Gra-Y Wolves of Carmel Valley and many of their dads will be up in the snow at Yosemite this coming weekend.

Lions who will be with their sons include Tom Bordonaro, Phil Wright, Mal Tavares and Bob Hebert.

It will be the first time that many of the local boys have had a chance to play in the snow. The Gra-Y Clubs are for boys in the 4th, 5th, and 6th grades and is part of the program provided by the Monterey Peninsula YMCA.

Outlook for the week.

FRIDAY, FEBRUARY 14

"Gentlemen Prefer Blondes," Marilyn Monroe, Tantamount, 8:40 p.m.

"Under the Yum-Yum Tree," Studio Theatre, 8:30 p.m.

"Rebecca," Tantamount, 8:40 p.m.

FRIENDS GATHERED Friday evening at the Casa Carmela for a send-off for the "li'l old lady at the front desk", Margaret Fellhauer, who retires after four years with the Carmel Valley Outlook and returns to her home at Pebble Beach. Toasting her are clockwise Margaret Nielsen, Joyce Guthrie, Harold Fly, Jack Nielsen, Lee and Ginny Murphy and Helen Fly.

(Photo by George T.C. Smith)

Committees named for Wine & Roses Ball

Committees for the Wine & Roses Ball, sponsored by the Carmel Valley Lions Club, have been announced by Bob Hebert, general chairman of the affair.

The event is scheduled for March 8 at the Carmel Valley Golf & Country Club.

The committees are as follows:

Advance Ticket Sales - Chairmen: Eddie Eagling and Mike Downey.

Ticket Sales at the Door - Chairmen: Bud Hall and Jack Black. Committee: Hank Blatnik, Dick Gaymon, George Willis, Tom Bordonaro and Jack Darch.

Drink Tickets - Chairmen: Maurie Nessel and Don Laird. Committee: Tom Bordonaro, Mal Tavares, Charlie Gansel, Peter Baxter and Sal Ocampo.

Treasurer - Chairman: Cliff Bolgard. Committee: Norm Skadan, Eddie Eagling, Maurie Nessel.

Master of Ceremonies - Mike Downey and Bob Hebert.

Yoga classes to start soon

A series of courses in Hatha Yoga exercises will begin Tuesday, Feb. 18 at the Sunset Center, San Carlos & 9th street in Carmel.

The classes will be conducted by Peter Medina under the auspices of Richard Hittleman, noted author, lecturer and instructor of the KQED-TV 9 television programs Yoga for Health.

Three classes will be conducted in the old cafeteria on Tuesdays and Thursdays at 10:15 a.m., 1:15 p.m. and 8 p.m. The Thursday evening class at 8 p.m. will be conducted by Mr. Hittleman on Yoga philosophy and the art of meditation.

SATURDAY CLASSES

A family class will be held on Saturday at 11 a.m., and an adult class is scheduled for 2 p.m.

Mr. Hittleman, who was instrumental in spreading yoga in America, has personally trained Mr. Medina. Hatha Yoga is not a physical exercise, but is a stretch posture designed to relax the spine and mind, Mr. Medina said.

Carmel High Wins No. 10 at SLV, 85-54

It's now 10 wins against no setbacks for the Carmel High Flying Padre Basketballers, as Friday evening they roared past the Cougars on the San Lorenzo Valley homecourt in Felton, 85-54.

This week, on a Tuesday evening, Jason Harbert's charges journey to King City to play the Mustangs in a game that might prove to be the only setback for the local entry this MTAL campaign (our press time prohibits a report of this game in this edition) and this next Friday hosts a strong Holy Cross unit from Santa Cruz, another game broadcast over KRSA-FM (100.7 Mc) with coverage from the local arena

starting with the last half of the JV tilt at 7:15 p.m.

Against SLV, it was a superb team effort, anchored by Bruce Winkler's 27 points and 18 rebounds, with Junior Mark Spindler finding the avenue open for his driving snots, hitting for 19, high for him in league play this year.

The Cougars were without their top scorer, Jim Carr (14.2), but made the going rough throughout most of the first half, the Pennant Bound Padres taking only an eight point lead to the dressing room at the end of the first two stanzas.

Chris Laiolo again provided point-grabbing assists while hitting for 10, and collecting his

share of defensive rebounds.

"We now get our stiffest competition with out next two games," Harbert commented afterward. "King City will be primed for us on their floor, which is an advantage for them. And Holy Cross here next Friday night will be seeking a revenge victory, as they lost by only four points at Cabrillo College before."

It should be pointed out that Holy Cross has no home gymnasium, and played only once before at Cabrillo this season. This means that Carmel High's Gymnasium will not be too much a home-court advantage for The Padres and needless to say, this week Harbert is harboring

SPORTS NEWS

Cypress Swim Club does well in first meet

Opening its 1969 competitive synchronized swimming season with a splash last weekend, the local Cypress Swim Club placed fourth in over-all team points at the Pacific AAU Age-Group Stunt Meet at the Hayward Plunge in that city.

With 219 entries from 13 Northern California clubs, the

meet featured events in novice, junior, and open class age-group stunts.

Pacing the local club were Gerri Brandly, who placed fourth in 10-and-under open; Jodi Ricketts and Kathryn Blevens, who took sixth and seventh places in 10-and-under novice; Kathy Neil, who won the seventh place ribbon in 13-14 open; Susan Hooper, fifth in 15-through-17 novice; and Bonnie Banker, ninth in 15-through-17 open.

Many of the Cypress entrants were entered in AAU competition for the first time. In their respective age groups, other Cypress placings were:

10-and-under Novice:	
Debbie Jameson	18th
Stacy Larsen	21st
11-and-12 Novice:	
Kim Pilkenton	13th
Ellen Rang	35th
13-14 Novice:	
Joanne Samuels	32nd
Becky Heaton	34th
Debbie Arman	39th
Ellen Williams	41st
15-through-17:	
Teri Rahe	12th

two headaches.

However, King City, nor Holy Cross, is blessed with a pivot man in the form of Winkler, who dominates both boards on rebounds, and during the last four clashes, has proven he can hit from the outside, while stationed in a deep-post offensive formation, if he has to fade away from the hoop.

Dick Charles' Jayvees had one of their easier evenings, taking SLV, 79-39, with Center Ward Gillette coming into his own with 20, while Jim Conlan displayed fine ball-hawking ability to set up numerous scoring plays. Carmel's Freshman quintet bowed, 50-42.

FATHER PETER FARMER, Headmaster at All Saint's Day School, accepts check from Mrs. George Vaughn, Carmel.

Scholarship Fund is aided

All Saint's Day School recently received a generous contribution to its Scholarship Fund from the Fair Ladies of Carmel.

This group of women, well known for their skill in needlework and handcrafts, raised the funds at their annual Christmas sale of decorative articles. The sale was held in the homes of Mrs. G.H. Burnette and Mrs. Stuart Goode, on Hatton Road, Carmel.

Mrs. George Vaughn visited the school to present the check to the Headmaster and talked with him about the great need

for scholarship funds to support the school's policy of being open to any child who can benefit from its program.

Boys and girls from all sections of the Monterey Peninsula attend this elementary school, now in its eighth year of operation.

Faculty Seeks New Ideas At Carmel Valley Retreat

English instructor Mr. Frank Jacobson, one of the coordinators of recent teacher retreats, discusses the program with a Galleon interviewer.

—Courtesy Monterey High School Galleon

By Marty Takigawa

Teachers, counselors, and administrators have been retreating to Los Laureles Lodge in Carmel Valley to take part in a program of force field analysis. Mrs. Eileen Hein and Mr. Frank Jacobson were largely responsible for and in charge of the three retreats who purpose was "to create an atmosphere in which the staff of MHS could evaluate their own and their colleagues' attitudes about some fundamental changes at MHS."

To deal with problems more objectively, Xerox, a mythical high school, was created. During the first half of the retreats, teachers, counselors, and administrators exchanged each others' roles and also the roles of students. The

force field analysis program was described by Mrs. Hein as one in which "through role playing and intermittent small group discussion periods, one experiences the forces for and against change."

During the last half of the retreats, actual attitudes and goals for change regarding MHS were discussed. Participants formed small groups and independently discussed their goals. Unexpectedly, all the groups of all three retreats came up with essentially the same goals without contact with each other.

Four basic, general goals were derived from the three retreats. They are, according to Mr. Jacobson: (1) to evaluate attitudes and roles of the staff with special reference to re-

lations to students; (2) to evaluate the role and attitudes of students and to plan ways to involve them in the improvement of MHS; (3) to improve curriculum offerings, especially with reference to their relevancy to student needs; (4) and to provide for flexibility in scheduling and programs, and techniques.

There were from 25 to 35 participants at each retreat. The first retreat on the weekend of November 22-23 consisted of administrators and all department heads. The second retreat (January 11-12) and the third retreat (January 18-19) were composed primarily of instructors and counselors.

All attended without pay. Mr. Feam, Mr. Cohn, and Mrs. Mowatt attended all three retreats. Mr. Anderson and Mr. Sortais attended two of the retreats.

WELCOME BACK

Welcome home to Major (USA ret.) Billie Mans, who with her small dauchie left her home on Calle de la Paloma two months ago for a sojourn in the east.

While a guest of the Greg G. Moens in Bethesda, Maryland, Billie had an opportunity to contact two favorite service families who formerly made their homes in the Valley.

Lois and Tom Henderson (Navy) are at Annaopolis and Rita and Jack Berry (Marines) live in Springfield, Virginia. All keep up with happenings in Carmel Valley via the Outlook (Hi, nice people!) and are delighted to be one year nearer to returning to our area as full time residents.

NEW EXHIBITS

Doesn't seem possible but Lou's Casa Carmela will be celebrating its second anniversary on Valentine's Day, February 14. Jeannine and Tom Bottaro are extending a cordial invitation for everyone "to be their Valentine" and join them for an anniversary party between the hours of 5 and 7.

During this time patrons will have an opportunity to personally meet the members of the Carmel Valley Co-op Gallery whose group show is opening that evening at the Casa Carmela and will be exhibited there for a month. Previewed will be the works of Bernice Huber, Lucile Herbert, Stan Spohn and Jean Hofsas, guests of honor at the reception.

Bernice Huber, a Peninsula artist since 1952, received her training at Chouinard in Los Angeles and at the University of Washington in Seattle. In addition to her painting she teaches as well as creating stoneware pottery.

Lucile Herbert, a native of California, graduated Magna Cum Laude as an art major at Stanford. She studied at the California School of Fine Arts in San Francisco and is known for her fine seascapes of the California coastline.

A Californian by birth and a Californian by choice, Stan Spohn has won awards in many juried shows. He did landscapes for Hallmark, MGM, and

Disney, including the movie, "Bambi", and others.

Carmel Valley claims Jean Hofsas who is sometimes decorative, sometimes dynamic. Her works have shown in Hawaii and in West Coast galleries. She studied at the University of Washington.

Incidentally, the Bottaros recently celebrated another anniversary. Their 18th to be exact....Congratulations!

GROUP HOLDS COFFEE

Mrs. Thor Rasmussen invited the ladies who have organized a co-operative baby sitting exchange to attend a coffee last Wednesday at her home on the Star Route.

Two new members were welcomed to the group, Mrs. Charmaine Trevas and Mrs. Karen Cook. Others attending were Gina Welch, Joyce Oross, Maggie Hallisey, Valerie Spaulding, Kaye Draper, Ellie Hansen, and Eva Doelman. Assisting Pam was Mrs. Louise Friday.

"SURPRISE SOUP" PARTY

"Surprise Soup", a taste treat to thrill even the most blasé gourmet, was the main dish enjoyed by the Brownie Girl Scouts at the luncheon held at the Country Club Drive home of Mrs. Richard King.

To prepare Surprise Soup, five little girls are asked to bring five cans of ANY kind of soup. The ingredients are all mixed into one large kettle and hence it acquires its name.

Between rain clouds the girls accompanied by their co-leader Mrs. Gail Blake and a guest Cadette Scout, Sally Ann Poulson, went for a hike and returned to the King home to roast marshmallows in the fireplace, and play with their lummy sticks. The latter is a musical game of skill that is adapted from the Philippines. The tune which accompanies it is so catchy that one little girl came home from school last week positive that she had caught Tularcitos principal George Gustafson humming it as he made his rounds!

KUDOS TO WHITE OAKS THEATRE

"An old oak leaf cluster"

to the White Oaks Theatre for inviting the three Tularcitos Third Grade classes to preview Gale Peterson's latest play, "The Box of Seven Faces."

A cast including Tony Willis as Nicky, Mary Wardrum as Freda, Carolyn Evans as Mrs. Wimple, John Prejean as Old Man of the Mountain, Nora Gohl as Snowflake, Linda Boblitt as Murkey, Tom Rearden as Prince Charles, and Ron Stark as the Caretaker, wove a magical spell around the children with the first time addition in a children's play by Gale, of the element, "suspense".

The company leaves on tour the 23rd with stops scheduled at such places as Glendale, Pasadena, Santa Maria, Weed and Ross, expecting this season to appear before over 10,000. They were particularly thrilled to have been invited to once again perform at the Allen Hancock Junior College. Hancock J.C. at Santa Maria has their own Repertoire Company and White Oaks is the only group ever invited to perform there. This is their second invitation.

Following the preview presented for Valley children, the play formally opened last weekend in Salinas sponsored by the Salinas Junior Women's Club.

This week the players will present a free performance before the Robert Downs School in Pacific Grove.

GUESTS FROM MONTANA

There are guests from Forsythe, Montana at the Ford Road home of George Willis. George's sister and husband, Mr. and Mrs. Joe Baugh, have planned a number of side trips, but will make the Valley their headquarters until Spring, with its headquarters until Spring, with its meadowlarks and bitter root to return once again to the "treasure state".

WOMEN'S CLUB LUNCHEON

The Carmel Valley Women's Club held a delightful bridge luncheon Wednesday at Lou's Casa Carmela attended by seventy members and their guests.

Mrs. R.B. Stoney was hostess for the affair.

New members welcomed by club president, Mrs. Gordon Yates, were Mrs. Charles Finnell and Mrs. Charles McIntyre.

Among the guests were Mrs. Harry Galloway accompanied by her daughter, Georgia, who is visiting from Long Beach and Mrs. Irene Carmichael of Natchez, Mississippi. From Carmel came Mmes. Joe Anloff, Marie Hall, Dale B. Thoreson, and Olye Dajas.

Mrs. Ida B. Duncan, former Valleyite and former member of the Women's Club, was given a special welcome by many old friends. Mrs. Duncan now resides in Monterey.

Still other guests were Mmes. Fred Clark, Richard Sinclair, Elsie Siemens, Harry Gillette, Richard King, Leon Mink, Philip Walker, Joanne Peterson, Bonnie Anderson, Ermine Gravelle and Mary Angier.

NEWCOMERS

Mr. and Mrs. Christopher Spaulding are enjoying their houseguest, Mrs. Virginia Card. Valerie's mother, a resident of Santa Monica, has been in the Valley for two weeks.

The Spauldings, with their three-month old son, Tim, moved to the Valley in De-

cember when Mr. Spaulding accepted a partnership in the Tom Brown Insurance Agency in Carmel. They are making their home on Via Milpitas in the former Hofsas home.

NEW COOK BOOK

Tired of preparing menus with the same old recipes printed in the first edition of the Valley Fare Cook Book published by the CV Community Chapel?

If so, then Mrs. Norman Bundgard and her committee have for you "the opportunity of a life time!" With the third edition compiled, on the market, (and selling like hot cakes, we hear!) the people involved are attempting to complete their records to assist committees with future editions.

Missing from the files is a very important itemthe FIRST edition of Valley Fare. Remember the one with the green cover? Anyone wishing to contribute their copy is asked to please contact Doris Bundgard 659-4796. She promises to deliver right to your kitchen a shiny new book with new recipes, and new cartoons!

WANTED: COUPONS

Another request for assistance was relayed to "Oaks 'N Cactus" by Mrs. Erasimo Belleci, president of the Ladies Auxiliary of the Carmel Valley Volunteer Fire Department.

Several years ago the Fire-Belles undertook the task of refurbishing the fire station.

They are currently in the kitchen where it was discovered that the utensils consist mostly of those unclaimed following various potluck suppers.

The ladies would like to present the department with a new set purchased with Betty Crocker coupons. Valley residents are invited to assist with this project and may leave their coupon contributions at either the Fire House or the CV General Store.

Those were the good old days Found an item in the Feb. 26, 1949 issue of the Carmel Valley News noting the dedication of the new fire house.

Les Ball, then chief, spoke as did others who will be remembered by old timers including Col. Ferch, Hayd Leve, Paul Porter, Norm Marshall. The new \$15,000 fire truck paraded thru the streets loaded with adults & 50 children stopping to pick up a dog named "Patsy" owned by Mrs. Parks.

Oh yes, the department was even looking for furniture in THOSE days!

BILLIE TRANSFERRED

Part-time folk singer and full-time deputy sheriff, Dempsey Billie who has patrolled the Valley at various times, has been transferred from the Monterey sub-station to Salinas.

Dempsey replaces Phil Broadfoot and will be working with Sgt. Billy Davis as a juvenile officer. Broadfoot has joined the plain clothes investigative staff of the San Benito County Sheriff's Department.

Trade in Your Old Furniture Today at **SWAN'S**

Carmel Valley Community Youth Center

An evening in Portugal will be the theme of the first of a series of International nights instigated by the Carmel Valley Community Youth Center when they have a dinner with dancing and entertainment, Friday, Feb. 21, at the Community center at 7 p.m.

ter at 7 p.m.

The dinner menu will include Portuguese beans and Tavares' famous Linguicia (Portuguese sausage) on French Roll. Beans will be sold on a donation basis, and the Linguicia sandwiches will be sold for 65¢.

Various countries will be represented in these events and those interested in helping to create a special country night with ideas on country dress, dance, food and decoration, are asked to contact Mrs. George Glendenning at 659-4091.

The support of the general public is asked in order that these social nights are possible.

Mrs. Glendenning with the help of the adult board, will once again fill the vacancy until a suitable director can be found.

MEMBERSHIP

A special invitation is offered to young people ages 13 through 18 to join the center and participate in a wider variety of activities. The membership dues are \$2.00 for the entire year. Call Tomi France at 659-4091 if interested.

By laws can be found posted in the center.

"DINE-A-MITE"

The CVCYC "Dine-A-Mite" is available for rental to clubs and organizations. We also are available to be of service to events — serving from our mobile unit. For further information, call Mrs. Glendenning at 659-4091.

CECKA RESIGNS

Due to forthcoming changes of school, Carl Cecka resigned as youth director. He said he felt he had too little time to devote to the youth center and thought he should submit his resignation.

Young artists

(Con't. from page 7)

by Franz von Suppe. Andrew Erlich, soloist, will play "Violin Concerto No. 4, D Major" (first movement) by Wolfgang Amadeus Mozart and Juanita Messerli, soloist, will perform Robert Schumann's "Piano Concerto in A Minor, Opus 54" (first movement). The concert will conclude with the Johann Strauss waltz "Roses from the South" and the John Phillip Sousa march "Stars and Stripes". Maestro Haymo Tauber, conductor, will comment on each composer and composition.

The Monterey County Symphony Orchestra and the Junior League of the Monterey Peninsula, Inc. have co-sponsored these concerts for children for the past fourteen years.

Parent Faculty to hear of gifted students

A report on Lyceum activities will be presented when the Middle School Parent Faculty Club meet Tuesday, Feb. 18, at 8 p.m. in the school library.

Mrs. Lewis L. Fenton will present the program which will feature activities of the organization that is interested in programs for gifted students from grades three through twelve. Interested parents in the community are invited to attend.

American Field Service student, Miss Grace Lim, from Malaysia and a senior at Carmel High School, will be introduced. Members will be asked to vote on the proposed change in the by-laws on the use of funds.

Council to honor past presidents

The Arts Coordinating Council of Monterey County will honor the Presidents of its member organizations at a luncheon at 12 noon on Wednesday, Feb. 19 at the Jolly Rogue Restaurant at Wharf #2 in Monterey.

The luncheon will serve as the regular meeting of the Council and will provide an opportunity for new Presidents to get acquainted, make comments and ask questions about Council activities and to meet their colleagues in other fields of the arts.

The present membership of the Council is made up of representatives of the following organizations as well as a growing list of individuals interested in the work of the arts in the community.
